Under the subheading "Section XIII: air operations", replace the first entry in the right-hand column with the following:

The air operations of UNFICYP are related to the monitoring of the buffer zone. The budget for 2008/09 for air operations provides for three helicopters, comprising two helicopters for normal operations and one helicopter for use as a replacement for the other helicopters during periods of maintenance and downtime. Two helicopters are provided under a letter of assist, and the third is provided at zero cost.
